

## How to make your Reef *chatterbox*

First, cut along the dotted lines to create a square

1. Fold along each diagonal and then lay flat
2. Place coloured side down and fold each corner to the centre (2a & 2b)
3. Turn over
4. Fold each corner to the centre again (4a & 4b)
5. Fold in half to crease, reopen and fold along the other half
6. Slide your thumbs and forefingers into each square behind the words Great Barrier Reef Foundation and play with your friends and family to discover some fun facts about the Great Barrier Reef
